Under the Connecticut Solicitation of Charitable Funds Act, organizations are required to register only once. Issuance of this certificate indicates this organization has completed the registration requirements.

The Act does however require registered organizaztions (such as this one) to file an annual financial report. A newly registered organization must file its first finanical report for its most recently completed fiscal year end as of the date of registration in Connecticut. Enclosed are forms and instructions for filing this organization's first financial report. The fiscal year end date of the financial report that is due and the due date of the finanical report are indicated below. Please note that you must pay the $25 finanical report filing fee when you file your finanical report. This is an annual fee in addition to the one-time $20 registration fee you have just paid. Do not pay the late filing fee of $25 even if you file your first financial report after the due date indicated. The maximum fee payable for the first finanical report is $25.

If you have questions about Connecticut's requirements under the Act, please call the Public Charities Unit at (860) 808-5030 for assistance.
